**Sermon**

- 1) If the “Triumphal Entry” took place today would it be hailed as an example of humility or prideful self-aggrandizement ?

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves...

*Philippians 2:3*

- 2) The abstract versus the concrete. I like the idea. I’m just not sure that I’m sold on the reality.

Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which is yours in Christ Jesus...

*Philippians 2:4-5*
