AMBUR, India

[Edition 1, Volume 1]

FROM PASTOR RAJI....

Easter wishes to Everyone!! May our risen Lord bless and keep you safe. I am happy to meet you all through our first CIM Newsletter. I confess that “I am just a mud, He made me in His own image. So, I need to be accountable to my heavenly Master and do something for my people to glorify Our Jesus”. This has been my passion for a long time and it came true as Calvary India Mission, Ambur. Through this mission, we are blessed to serve His people in need by various activities, such as the Tailoring Training Centre, Tutoring Centers and other programs in India. Our Calvary India Mission is functioning well and we do hope that surely it will become a blessing to many. Kindly remember us and our Mission in your prayers. Blessings to everyone on this Easter.

In His Mission,

Pastor Udhayanesan Rajipillai

“The lord will perfect that which concerneth me”. Psalms 138:8

TAILORING CENTRE

We have a Tailoring Training Centre at our Head Office, Ambur, Tamil Nadu, India. This

Tailoring Centre was started in 2015 to assist the women to stand and earn a living

on their own. We have well trained teachers and give training to the students in Handworks,

Embroidering and Stitching dresses.

The tailoring training is going

on now and students are getting trained. The first batch of students got trained and received their certificate in May, 2016. We issued free Sewing machines to all who completed their Tailoring Training last year. All the women who completed the initial training have started stitching and earning

money now. The second Tailoring training class will be completed by the month of

October, 2017. The students are eagerly learning and making some wonderful Handmade, Embroidering and Stitching kids' dresses.

MISSION TRIP

Miss Mary, CIM Coordinator-India

Every other year our Mission Team visits many churches in India, conducting Bible Studies and visiting Our Tailoring

training / Tutoring Centers and conducting various programs mainly in Ambur

and surrounding areas. They teach arts and crafts to the

people in the Churches. Thanks to Team Leader Dr. Marvin

Hansen and the team for their whole-hearted service. We are all Waiting and praying for the Next mission trip on September 28th to October 8th 2017. Welcome to the Team.

***HAPPY EASTER
TO YOU!***

TUTORING CENTRE

We give after school education to deserving students at no cost. There are

nearly 60 students and teachers are there in our Tutoring Centers. The

class begins at 5p.m. All the students coming here are from a poor background. Their parents are daily wagers. They go to the work in the morning and return home after 6 p.m. Usually they have little education and are not able to fully care for their children. So, we gather these children

and educate them in our Centre. We want to help the students to study well and to

help them to become what they would like to be. Not only education, we

also provide them dinner after the class. Also, we teach them the Love of Jesus. We

follow up with them up and visit the schools to know the activities and improvements of the students. It helps us to concentrate our effort on particular

students. We have planned to offer them a Free Medical Camp and Social Awareness in the villages around our Tutoring Centers. We do pray and believe these students will be a blessing to many in the days to come. We are thankful to the teachers and staff who serve them. All our staff and students need your prayers and blessings.
